Birding**in**Romania.com

The list of Dobrudja and the Danube Delta, created by the guide's team of BirdinginRomania.com | DiscoverDanubeDelta.com. We used data from all the known sources (ornitodata and rombird) but mostly from our observation lists. You are free to use it, to find what species you can find every month and we'll be happy to have your feedback and/or your observations. You can find us on email: iliuta@fotonatura.ro or on FB page BirdinginRomania.
